

Port Adelaide Girl's Technical High School 2008 Reunion

Donations

Introduction

As you will appreciate, there are numerous costs associated with organizing a large scale function such as this *whole of school* reunion including venue costs, catering arrangements, website hosting, post office box rental, postage and stationery costs, insurance, photo displays, decorations, name tags etc.

We are currently seeking sponsors for the event but this will only cover some of the costs – we have also informally received a few donations of smaller amounts of money to help with the Reunion and have decided to setup a formal mechanism for people who might want to assist the Reunion.

A dedicated bank account has been established and a reconciled statement will be published on the website after the event.

Donation Acknowledgement

All donations will be acknowledged on the website – see the *Donations* link in the left hand side menu.

Here we list the date the donation was received, the amount and the name of the donor. If you wish to remain anonymous, please just enter the word *anonymous* as your preferred donor's name. You can optionally specify that you want the donor's name linked to an email address or a website address in which case your name appear as a hyperlink (otherwise it will appear as a plain text field).

How to Donate

Donate either by cheque/money order or via direct payment using electronic banking. Please only make a direct payment (via electronic banking) if you can specify a free text reference with your deposit so that we can reconcile the deposit with the donation details which you have mailed/ emailed us – see form below.
